

I am writing to oppose the expansion of LPFM service. Our family listens to K-LOVE radio and sometimes we have trouble receiving the signal. I fear that expansion of LPFM service would increase the difficulty of receiving the K-LOVE signal. We enjoy K-LOVE and know many people that also enjoy it. I feel we do not have enough positive, family friendly radio stations to listen to and to lose K-LOVE would be a sad statement on our nations priorities. Our country was founded on Christianity and we are moving far away from the beliefs of our forefathers. Please consider the long term effects on our children and this nation and do not expand LPFM service. Thank you for your attention to this matter. Carlene Comer
